

CYPRESS TRAILS

INTERN/DAY CAMP PROGRAM

Summer 2017

Enjoy a summer of fun with horses!

Interns at Cypress Trails Day Camp gain confidence in horsemanship, safety, grooming, ground handling; and, most importantly, in themselves, while building wonderful new friendships.

With a herd of 60 horses, Cypress Trails offers riding programs suited for various ages and abilities. We are conveniently located on a large, semi-wooded property near Houston, Texas, one mile north of Bush Intercontinental Airport. Riding is done along beautiful, wooded, shady, and secluded natural trails along Cypress Creek.

Interns spend their time experiencing the challenges and responsibilities of loving, riding, and taking care of horses. Whether the Intern comes to camp as a novice or as an experienced rider, they will leave with more confidence and new equestrian skills.

All of our Interns get personal attention. We want our Interns to leave the ranch with lots of smiles, good memories, and horsemanship skills to last a lifetime. Interns are guaranteed at least two hours of riding each day, along with other horse-related activities (also known as hard work!), in a safe and wholesome atmosphere.

Each intern will be assigned a horse for the duration of their program. Camp activities include grooming and saddling horses as well as riding lessons. Safety is stressed at all times. Throughout the day interns will be asked to perform equestrian-related chores, like mucking stalls, feeding horses, oiling saddles, and whatever else is needed to keep our horses healthy and happy.

Interns should dress for outdoor summer weather. They must wear long pants, boots with a low heel (no sandals), and a protective riding helmet (SEI approved). If the Intern does not have a helmet, we will provide one, or you may buy a new one for your Intern. We always have a great selection of helmets for sale.

The Intern should bring a sack lunch each day, along with preferred beverages and lots of bottled water. Interns should wear sunscreen and bring a hat with a brim.

By the end of the week, Interns will know how to saddle, bridle, and care for their horse. They will also be able to ride and control their horse. Instruction will be provided on the breeds and colors of horses, the parts of a saddle and bridle, and horse safety.

The Intern Day/Camp Summer Program is for all ages 8 years* and up. Limited enrollment is on a first-come, first-served basis. Confirmation of enrollment is based upon receipt of a deposit and completed application. After we receive your application and deposit, we will send out a packet with all the forms and information you need to get ready for camp!

*If your child is mentally and physically ready for camp we can accept campers younger than 8, call us to discuss.

WHAT MAKES US REALLY DIFFERENT! Cypress Trails offers 5-Day, 10-Day and 20-Day Programs. Interns can choose which days they want to participate. Coupons will be provided for each day, to be redeemed each day the intern participates in the program. The only requirement is we need to know which days the camper will be at the ranch.

Hope to see you soon - Darolyn Butler, Owner of Cypress Trails Equestrian Center

What to Expect & What is Expected of You

The Junior Horseman/Intern may expect to ride at least two hours each day and have one hour of equine theory/view equine related video instruction. All riding will be under adult supervision, unless the parent allows the Junior Horseman/Intern to ride out on the trail with one of our Junior Wranglers.

I give my permission for (child's name) _____ to ride on the trail with a Junior Wrangler.

Parent/Guardian Signature: _____ Date: _____

Junior Horsemen/Interns will be expected to help with the horses or any other house, yard, pasture, or barn chores that may arise during the time they are at the ranch. Junior Horsemen/Interns should bring a sack lunch, snacks and lots to drink. They will be given a 1-2 hour(s) break (if they want it) around the middle of the day to eat and rest.

Junior Horsemen/Interns need to be willing to help and to maintain a cheerful attitude. This is a unique learning experience for young people who have a serious interest in learning about horses and the requirements of a horse operation. **Two colored bandanas will be provided on the first day of camp. Please make sure your camper returns with a bandana each day.** These bandanas are used to identify Junior Horsemen/Interns.

Parents: Please let us know what days the Jr. Horseman/Intern will be coming so we may integrate them into our lessons and rides at their proper level.

If the Junior Horseman/Intern does not follow instructions or appears to be endangering him/herself or others by their actions or lack of obedience, the rest of the camp may be revoked with a refund given (in HORSEBUCKS) for the balance of the fee.

The parent /guardian must sign a Cypress Trails Liability Release and complete this information.

JUNIOR HORSEMAN/INTERN INFORMATION

1. Interns may arrive between 8:00 - 9:00 AM and they may leave at whatever time is convenient, but must be gone by 6:00 PM. Interns may be dropped off as early as 7:30 AM but will be expected to follow the rules that are set out for early arrivals. Please make sure that you sign the child in and let a staff member know they are here. No child should be dropped off without the parent notifying a staff member or camp chaperon of their presence. Please be on time and pick up your child no later than 6:00 PM, unless previous arrangements have been made.
2. A refrigerator is provided. Each child must come with a sack lunch, drinks, and snacks for the day. Label all food and drinks with your child's name. If your child's birthday falls during their camp session, please let us know if you would like to provide a cake, and/or small party.
3. If your child is used to a snack during the day, please send one. Energy bars make an excellent choice.
4. Your child should wear long pants in the morning but can bring a change of clothes to change into after riding. Riding boots/shoes with a heel are preferred but sneakers/tennis shoes are an acceptable alternative.
5. We sell equestrian helmets (\$40 and up), or we can advise you as to the type needed or where to buy one. **Helmets are required for riding safety.** If you provide your own helmet label it with your child's name in permanent marker.
6. There is a water cooler and a soft drink machine on the farm.
7. You may want to send mosquito repellent spray with your child depending on the season. The mosquitoes and horse flies at certain times can be annoying. Avon's Skin So Soft is an excellent choice also.
8. The Interns are being taught some rules, not only for camp but to live by. The first of which is, "There's no such thing as I can't". We encourage you to talk to your child about the day and what they have learned. Then pass on any feedback you receive to help us improve our programs.
9. Each day the Interns will be involved in a discussion relating to the horse world. It may be about equipment, horse care or various styles of riding. Please listen when they explain what they have learned, this will encourage them to keep learning.
10. The success of this program lies with us all. We try to teach by example and from experience. We need your feedback. If you have any questions, please ask. Any suggestions you have, please pass them on. We have been working with Interns and horses for many years and we have a lot of experience, but don't have all of the answers. Together, we can make a difference.
11. Label all personal belongings.
12. If the staff needs to be aware of any special considerations, allergies etc. please remember to give us that information (in writing). Include any medications your child takes, for example allergy medications. All medications should be checked in with one of the staff members when you arrive. If your child uses an inhaler let the staff know that they will be keeping the inhaler with them. Likewise Benadryl if they have allergic reactions.

I have read and understand the information on this page.

Thank you for choosing Cypress Trails. Please help us ensure that everyone has a fun and safe camp experience by following a few simple rules, which are explained below.

- Please complete and sign waivers included in this document.
- Complete the Special Considerations and Contact Information page which lists your child's allergies, and any medical treatments they are currently undergoing.
- Provide a copy of your child's insurance card and complete the Special Considerations and Contact Information . We need written permission to have your child treated medically in case of accident, this permission is granted in the Limited Medical Power of Attorney in this document. The staff at Cypress Trails requires your proxy so your child can be treated.
- Have your Intern bring an extra set of clothing (in their backpack). Interns should ride in long pants or jeans, A good sturdy pair of shoes/boots with a heel is preferred but tennis shoes/sneakers are an acceptable alternative. We prefer shoes with heels because shoes without heels may slip in the stirrups of the saddle. No open-toed shoes allowed. No inappropriate clothing is permitted, including T-shirts with sexual innuendos or foul language. On the first day of camp or at registration, each Intern will be given two bandanas. When the Intern is at camp these bandanas should be worn around their neck, tied on their jeans, or secured on a part of their body for easy identification.
- Swearing and insubordination to any of the instructors, wranglers, staff or management is not allowed and the Intern may be sent home for these infractions. No rude or racial remarks will be tolerated. No physical violence at any time is permitted. Any abuse or rough treatment of any animal (regardless of the species) on the premises is grounds for immediate dismissal.
- Use of cell phones is discouraged. Upon arrival phones are to be stored in Intern's backpack, unless they are absolutely needed to talk with parents. The wranglers and staff carry phones at all times. We want the Interns to pay attention while working and playing at the ranch, not texting or talking to friends on the phone. Please call only when necessary, and ask your Interns to do the same.
- Interns who wear glasses should have eyeglass keepers on their glasses to prevent loss, as it is easy for eyewear to come off when riding a horse. Contacts lens wearers should keep saline or eye wash in their backpacks.
- No use of illegal drugs is permitted. Interns MAY NOT smoke, dip snuff or chew tobacco.
- We allow the Interns to feed the horses snacks. Acceptable horse snacks include carrots, apples, and cereals. Bringing horse snacks is elective and in no way required.
- Please indicate all persons who are authorized to pick up your child from camp on the Special Considerations and Contact Information page. List the people permitted to pick up your child and their phone number, address, and relationship to the child.
- Interns are not allowed to leave the main ranch area without adult supervision. Please let us know when you pick up your child and make sure that you sign them out for the day.

While the Interns are learning, they develop friendships that will last a lifetime. People from all walks of life, from all over the greater Houston area can work, learn, and play together on a level playing field. They spend time being new horse people, all the while experiencing some of life's most important lessons.

A light-colored horse, possibly a palomino or cremello, stands in a fenced area. A young child is petting the horse's face. The background shows trees and a fence.

We have discovered that when you teach a child . . .

**They can be in control of and responsible for a
1000-lb animal**

**Riding is a team sport and they and the horse
make up that team**

**A 1000-lb animal will trust them and look to them
as the leader**

Watch what happens to their:

Confidence

Self-respect

Self-esteem

Sense of Accomplishment

Sense of Responsibility

**We hope you have a great summer and thank you for
choosing Cypress Trails We hope to be an exciting and
fulfilling retreat for your Intern.**
