Proof of Negative Coggins, West Nile Virus and WEFT Immunization are required for all horses. Coggins Date: _____

Cypress Trails Release of Liability and Standard Power of Attorney. We paste worm, rotating type, every 2-3 months. Western/Eastern Flu, Tetanus and West Nile Virus inoculations are administered at the first of each year; a West Nile Booster is given 6 months later if you desire. These services will be performed and billed automatically to any horse boarded here unless the owner makes his or her own arrangements and informs us. We will attempt to announce regular vet visits or trips to the vet, at which time you may request tube worming, teeth floating, or other vet services, or you may have your vet visit at any time. Worming, trimming, teeth floating, chiro and some vet bills may be added to your monthly invoice. Other charges may be paid directly by the horse owner to the service provider.....**Our vet** is Dr. Hertel (Kingwood). We haul to A&M Veterinary Hospital or Waller Equine Hospital, Texas Equine Hospital (Dr. Honnas) for specific problems. If you want another vet called in an emergency, please list name and number:
